QUALIFICATIONS

are awarded by Pearson, the UK's largest awarding body offering academic and vocational qualifications that are globally recognised and benchmarked. BTEC offers an alternative to more traditional qualifications, combining the best mix of academic and vocational methods of learning. They are valued and acknowledged by employers and Higher Education institutions alike. BTECs will develop and enhance the skills that you already have and encourage you to think about relating your learning to real life situations. The courses offered are practical and will give you the opportunity to complete assignments and activities based on realistic situations linked to working environments. They will give you a good feel for what it will be like to be a professional while developing your communication, IT, time management and teamwork skills.
