NCUK

Northern Consortium of United Kingdom, commonly known as NCUK, is a consortium of leading universities dedicated to giving international students **guaranteed access** to universities worldwide and helping them succeed when they get there.

NCUK qualifications are recognised by universities from within the NCUK Global Network and beyond, they are able to give students the best start and guarantee access to an NCUK University upon successful completion of their studies with them. With a diverse set of qualifications available as well as opportunities for qualified students to progress directly to university, NCUK supports thousands of students each year on their academic journeys.

NCUK qualifications are designed in collaboration with their partner universities and combine high academic standards, with language, study, social and cultural skills. Students can study in their own country taught by quality assured partners whose standards are as high as those maintained in abroad.

NCUK qualifications are backed by fantastic levels of service and support and have an outstanding track record with over 40,000 students progressing to university since their inception.

After successfully completing their qualification, students are **guaranteed access to 45+ NCUK Universities**. Students have many options to choose from and can progress to universities in **the UK, Australia, New Zealand, the USA, Canada and Malaysia**.

At your NCUK university you will have access to top level careers advice and guidance to help you focus on the right job for you and to stand out from the crowd in an increasingly competitive jobs market. Choosing your NCUK qualification is the first step to realising your dreams and ambitions.

International Foundation Year

NUCK International Foundation Year is a qualification designed with university partners to prepare the student for first year entry to undergraduate degree courses.

International Foundation Year allows students to become specialize in English language, study and cultural skills that are an essential part of undergraduate degree course. This unique combination helps students to get into the University of their choice and get on with their desired future career.

A foundation qualification is normally required by students who have completed high school outside of the **UK education system** and/or in a language other than English.

This qualification will help bridge the gap between their local qualification and university study and is designed to give you the academic and English language skills needed to **succeed at an international university**.

Upon successfully completing the NCUK International Foundation Year, students are guaranteed a place on a suitable course at an **NCUK University**.

The NCUK Guarantee means the student has an excellent choice of leading universities which will offer the student a suitable place based on their grades and area of interest. NCUK gives the student that offer on results day and takes the stress out of the application process.

NCUK IFY

is designed for international students who are looking to fast-track their studies (A-levels or I.B). You will gain quality-assured, globally recognised qualifications in as little as 12 months in your chosen modules with innovative assessment methods and a guaranteed progression place on an undergraduate course at a top UK university.

Key Features:

- ❖ The International Foundation Year is a one-year, full time course ideal for anyone who wants to progress to international undergraduate degree in any of the partner universities.
